Be a Part of “October in the ‘Ville” 2020!

The Northville Downtown Development Authority is pleased to announce the Ninth Annual Skeletons Are Alive Celebration. Due to COVID-19 restriction we will not be holding our annual kick-off event.

We are offering the opportunity for businesses to participate in the month-long celebration by purchasing a custom skeleton, sponsoring an existing skeleton (list of skeletons provided) or donation.

A. **Own a skeleton:** Begonia Brothers will provide a quote based on the number of skeletons and props required to complete your order (starting at $350). Your skeleton will be placed in front of your business or another location within the Northville community. The skeleton will have a sponsorship sign (your name and/or logo) prominently displayed. All skeletons will be fabricated and installed the first week of October. Orders received after the September 11th deadline are not guaranteed for the start of the event on October 2nd. Please call Begonia Brothers directly to place your custom order, 888-889-8282.

- Skeleton owners are responsible for the security of their individually purchased skeletons once installed and storage after the event is over.
- The lifespan of a skeleton is about 3 years, before needing repair and/or replacement.
- Sample images downloaded and printed or sketches are required at the time the application is submitted.

B. **Sponsor a skeleton:** $100 per skeleton allows your business to sponsor a skeleton from the DDA’s existing inventory. The skeleton will be installed by Begonia Brothers at the location of your choice. There will also be a sponsor sign on the skeleton (name and/or logo). Checks should be made out to Northville Downtown Development Authority.

C. **Donation to Skeletons Alive Event!**: $__________ Thanks for helping to keep this fun event going! Checks should be made out to Northville Downtown Development Authority.

In purchasing a skeleton for Skeletons Are Alive, I agree to pay the appropriate sponsorship fee and provide an electronic version of my company/business logo.
