Check Us Out!

The Northville DDA is very excited to show off our new and improved DDA website. Our team of graphic designers, website professionals and DDA staff have worked long and hard to produce the new website. It's been a long journey, but we are up and running and displaying our new colors and logo developed through our Marketing Plan. We hope that you will find our new site easy to navigate and user friendly. We will continue to add pages and information to keep you up to date on all of the events and projects scheduled to take place in the downtown.

Still to come is our Film Friendly website. We're not quite ready to launch it, but it will soon be live and act as an aid to film scouts looking for locations to film movies and commercials in both Northville Township and the City of Northville.

Movies at the Marquis Through-March 27

The Northville Downtown Development Authority invites you to join us at the movies. The Movies at the Marquis classic movie series continues through March 27th featuring everything from musicals to romance to drama, action and intrigue. The select classic movies for the series are shown every Saturday evening at 7:30pm. Tickets for all shows will be available for purchase for a nominal fee of \$3 per ticket at merchant-sponsored locations.

Wow! Our opening movie - North by Northwest - was sell out! Three great movies have been shown to a nearly full theater so far; and we are thrilled to see so many familiar faces. Thank for coming out and spending your Saturday night in Downtown Northville.

The Movies at the Marquis series is co-sponsored by:

Northville's
**Urban Optiques Vision
and Eyewear**
and
Tom Holzer Ford.

We are very fortunate to have two great businesses sponsoring the 2010 movie series and supporting Downtown Northville. Both sponsors are actively participating in this event. Dr. Michelle Calder Cardwell and her husband, Matt Cardwell, of Urban Optiques Vision & Eyewear have been greeting guests at the theater, providing great movie reviews and trivia sheets on each movie as well as hosting post-movie cocktail hours at their store. Tom Holzer associates have also attended the movies each week with a new vehicle on display in front of the theater as well as providing giveaways to guests.

Everyone loves a party! Each week thus far our ticket sponsors have held pre-show events relating to the movie they sponsor and/or given away gifts at the theater. Complete the back of your ticket to be entered into each week's raffle. When's the last time you had such a great time for only \$3?

Without the support of all of our sponsors events such as the Movies at the Marquis would not be possible. We hope to continue this event on an annual basis.

Two store fronts have been combined into one super-store; and what a great place it will be to select some new reading material. The book store will make great use of both the main floor for book sales and the bistro and the lower level where book clubs will meet.

The front wall of floor-to-ceiling windows opens like an accordion allowing you to enjoy your meal and fresh air at the same time. Think spring!

Dan and Kathy Comaianni anticipate opening this great new addition to Downtown Northville to guests on March 1st. Every consideration is being made so guests will feel welcome and greeted with shelves of best sellers, knowledgeable staff and the aroma of
