## February Executive Committee Update

### Wayfinding Signage

Universal Signs was on site February 6<sup>th</sup> and 7<sup>th</sup> to install the Phase II sign program. Several field adjustments and the placement of finials will be completed the week of February 12<sup>th</sup>. Universal has also agreed to fabricate a curlicue piece to replace one that is missing from a Cady Street Parking Sign.

### EV Charging Stations

The EV Charging Station equipment was installed on December 1st. An electrical inspection by the City took place on December 5<sup>th</sup> and the project was approved. A request to DTE was made to install the meter and hook up the service. DTE arrived on site February 12<sup>th</sup> to install the meter. DDA staff met with DTE contractor. DTE ordered a line from the transformer to the new meter and the line should be

installed within 5-10 days.

A sign indicating EV Charging Only has been fabricated and will be installed once the meters are operational. Up2Go will provide their own sponsorship sign for installation on the sign pole. Tesla declined any further recognition other than the units themselves.

The DDA has prepared a Press Release to go out to help get the word out about the new EV Stations. We are waiting for Tesla to approve the content of the Press Release. DDA staff is working to make sure that the units are listed on all of the EV websites that list locations of EV Stations in the area. Once the meter is installed, a ribbon cutting will be scheduled. Tesla will have electric cars available at the event for test drives.

### Stair Tower Repair

DDA staff inspected the stairs in early January and found that the repairs had been made in a manner inconsistent with the contract. RAM was contacted immediately about the issue. RAM indicated that the supervisor on site made the decision to remove the cast iron nosing and repair the step with mortar. DDA staff discussed the issue with the DPW Director and the City Manager. RAM was contacted and directed to repair the stairs per the contract. The mortar was removed and new cast iron treads were installed February 12<sup>th</sup>. DDA staff will review the works once completed and provide a punch list for any necessary corrections.

## Streetscape Design Guidelines

Design Committee Chair Robert Miller and DDA staff met with Planning Commissioner Marc Russell in early January to review additional changes to the guidelines. DDA staff is working on the revisions and will bring the draft text back to the Planning Commission and DDA in February.

## North Center Brewing Company Downtown Event

DDA staff met with Kevin DeGrood, owner of North Center Brewing Company to discuss a potential sponsorship of a new Downtown Event to kick off Northville's summer activities. The event would be held in Town Square on the first Saturday in June and would include a beer tent, food, and lots of live music. The event was first planned last year to celebrate North Center Brewing Company's one year anniversary. The event encountered some snags with the Michigan LCC and was modified to address their concerns. DeGrood attended the February Marketing Committee meeting to discuss the event and collaboration with other organizations and the downtown businesses. The idea was well received by the committee. DeGrood will be working with the Tipping Point Theatre, who will provide the Non-profit status required by the MLCC.

## Piano project

DDA staff is collaborating with Northville Girl Scout Tessa McCarthy, who is working on her Gold Award, to install an outdoor piano this year. The piano, which will be donated by DDA staff, will be painted and installed in Northville Square. McCarthy's responsibility is to seek out sponsorship for a roof structure that would be installed to provide protection for the piano from the weather. McCarthy will be in charge of having the structure fabricated, approved, and installed in Northville Square. There will also be a sign installed recognizing the sponsor and stating the hours that the piano should be played.

## Bike Repair Station

DDA staff is collaborating with Eagle Scout candidate Jackson Cooney to install a bike repair station downtown. The station will include Allen wrenches, screw drivers, tire levers and every other tool you would need to fix a bike. It also includes a tire pump and a rack to hold the bike off the ground while it is being worked on. All the tools are connected to the metal housing with steel cables to prevent them from being taken. DDA staff will set up a meeting later this month with the Bike Focus Group to talk about the best location for the repair station to be installed, location for single hoop racks to be located and whether to install the on street bike rack that was hit this summer.

## Redevelopment Ready Status

DDA Director Ward completed the first module of the Redevelopment Ready training on January 25<sup>th</sup> in Lansing. Ward is scheduled for the second module on March 8<sup>th</sup> in Lansing. Economic Development Committee members Michelle Aniole and Carol Maise have both offered to assist the City in completing the Self Evaluation requirement. Maise provide Ward with a copy of the City of Romulus's submission for review. Aniole has offered to assist City staff in the preparation of the self-evaluation.

## Bank of America Easement

Final revisions were made to the Easement Agreement between the owners of Poole's Tavern (R2J) and Bank of America which would allow private property owned by Bank of America to be used to meet ADA accessibility requirements. Once the document is executed, RTJ will complete a property swap with the City. The City will acquire the property behind Poole's Tavern and the Easement Agreement will be assigned to the City. In exchange for the use of the Bank's property to provide an ADA accessible route, the City will insure and maintain the route. The revision was sent to Bank of America's legal counsel on January 10<sup>th</sup> and DDA staff is awaiting a response. Attorney Greg Need has followed up with the attorney as well.

## Cady Street Surface Parking Lot

DDA Attorney Greg Need has been asked to confirm the ownership of the property along E. Cady Street where the City's surface parking lot is located. The title search was completed on February 9<sup>th</sup> and Need will provide information to DDA staff prior to the February Executive Committee meeting.

## Town Square Rental

DDA staff has revised the Town Square Rental Policy and the Town Square Rental Form that will be posted on the DDA and City Website. The forms will be reviewed by the Executive Committee on February 14<sup>th</sup>. In addition, DDA staff is recommending that the current rental rates be adjusted as follows:

- For Profit rental of Town Square - \$50/day
- Non-Profit rental of Town Square – \$30/day
- Use of Town Square as part of a Special Event – No charge
